Welcome to the Leibniz PostDoc Community!

[Welcome package](#)

Dear Leibniz Postdoctoral Researcher,

Congratulations and welcome to the Leibniz Association! As you begin your postdoctoral journey, we, the **Leibniz PostDoc Network (LPN)** are excited to welcome you into a dynamic, interdisciplinary, and supportive community of researchers.

The PostDoc phase is full of possibilities, and we're here to help you make the most of it. Our network was created by and for PostDocs to foster connection, amplify your voice, and support your career development across the Leibniz Association.

 To keep in touch and access all our offerings, we warmly invite you to **sign up for the [Leibniz PostDoc Network mailing list](#)**. By signing up, you'll receive updates on events, opportunities, and resources tailored for PostDocs.

 As part of the network, you'll have access to:

- **Free workshops** on topics like grant writing, science communication, leadership, etc
- **Career counselling** and information on mentoring opportunities
- **Networking events** across institutes, disciplines and postdoc associations
- **Representation** of PostDoc interests within and beyond the Leibniz Association
- **Peer support** and shared experiences from fellow researchers

 Each year, we host the **LPN General Assembly**—a unique opportunity to meet fellow PostDocs, interact with key figures shaping policy and strategy within the Leibniz Association, and help shape the future of our postdoc network.

 **Subscribed PostDocs will automatically receive email invitations and updates about all the events—so we encourage you to subscribe and stay in the loop.**

We hope you'll join us not just as a member, but as an active voice in our growing community.

Welcome aboard. We're thrilled to have you with us!

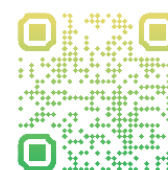

Warm regards,
LPN Spokesperson(s)
On behalf of the Leibniz PostDoc Network
